Lund, Sweden, 2 January 2023

This is a translation of the Swedish press release published 2023-01-02

Neola Medical and CEO Hanna Sjöström will participate at J.P. Morgan Healthcare Conference 2023 in San Francisco and present at Digital Medicine and Medtech Showcase January 9th

Neola Medical AB (publ) will attend the events related to investor conference J.P. Morgan Healthcare Conference in San Francisco in January 2023. CEO Hanna Sjöström will also present the company live on stage at the Digital Medicine and Medtech Showcase the 9th of January 2023.

On the 9–12 of January, the annual J.P. Morgan Healthcare Conference 2023 will take place in San Francisco. The conference is a large international platform for connecting companies and investors in the Life Science industry. The conference is attended by global leaders, innovative companies, and investors. In connection to the conference, CEO Hanna Sjöström will present the company live on stage at the event Digital Medicine and Medtech Showcase at 15.00 (3 pm) the 9th of January. During the conference CEO will also attend presentations, panel discussions and partnering discussions with investors.

“I look forward to participating at this year’s J.P. Morgan Healthcare Conference events. We are also excited that the company is chosen to present at the Digital Medicine and Medtech Showcase, as it is a unique opportunity for presenting Neola Medical in an international setting”, says Hanna Sjöström, CEO at Neola Medical.

More information about J.P. Morgan Healthcare Conference

J.P. Morgan Healthcare Conference is arranged for the 41st time 2023. It is the largest and most informative healthcare investment symposium in the industry, which connects global industry leaders, emerging fast-growth companies, innovative technology creators and members of the investment community. More information about Digital Medicine and Medtech Showcase

Digital Medicine & Medtech Showcase is part of Biotech Showcase, which is an investor and networking conference devoted to providing private and public Life Science companies with an opportunity to present to, and meet with, investors and pharmaceutical executives in one place. It is the 15th year that this conference is arranged, and it features for instance multiple tracks of presenting companies, plenary sessions, workshops, networking, and an opportunity to schedule one-to-one meetings. Biotech Showcase is produced by Demy-Colton and EBD Group. Both organizations have a long history of producing high-quality programs that support the biotechnology and broader life sciences industry.
