Neola Medical's CEO Hanna Sjöström presents at ABG Sundal Colliers Investor Day the 13th of September

Neola Medical AB (publ) will participate at ABG Sundal Colliers Investor Day in Stockholm the 13th of September and present the company. At 15.00 (3 pm) CEO Hanna Sjöström will present the company, upcoming milestones, and the coming rights issue. Following the presentation there will be a shorter Q&A moderated by an ABGSC-analyst.

Investor Day is a recurrent seminar where investors get the opportunity to learn more about selected companies covered by ABGSCs sponsored analysis. Also a few selected companies with innovative business models participate in the event.

"I look forward to presenting at ABG:s Investor Day. We have made great progress in the last six months with positive results from a clinical study and we have an exciting fall ahead with further milestones and a rights issue.", says Hanna Sjöström, CEO at Neola Medical.

The presentation will be available at the following link from the 14th of September: <https://cr.abgsc.com>
